System

Friday

The first day will be held the qualification (each team plays 4 squads) and the total number of points will divide teams into performance classes (A, B, C, D). In the case of a tie, the ranking will be determined by the total score, then by highest casting of the last (penultimate) game. And even if everything was equal will follow the ranking according to the highest casting player in qualification.

Saturday

First will be played the knockout system in every performance class and then groups of winners and losers. Teams will compete by system of mutual matches (you can see below scoring system).

Scoring system:

Qualification will be ranked with thrown pins. Saturday's rounds will be ranked by points (each player plays for 1 point against the opponent on the same position of the other team):

1. Player1 team A - Player1 team B
2. Player2 team A - Player2 team B
3. Player3 team A - Player3 team B
4. Player4 team A - Player4 team B

For the victory in the total number of points a team gets another 2 points. In case of equal, final number thrown pins incl. handicap decides. And even if everything was equal, shoot-out of one player against one opponent follows.
